Guangdong Bosing Paper Packaging & Printing Co., Ltd. is a professional modern printing and packaging enterprise located in Guangzhou, China, covering an area of over 23,000 square meters and having over 300 employees.

We have been doing R&D and domestic production and sales since 1996, and formally established in 2007 with registered capital of 3 million dollars.

As a professional packaging manufacturer, Bosing Packaging has more than 27 years ODM/ OEM experience, gathering excellent teams who are well known for product R&D, quality control and company running.

“Customer service and quality-oriented mind is our principle”, so we have been continuously importing and using lots of industry advanced machines from abroad, such as KOMORI LITHRONE G544+1 Machine, Heidelberg 7+1 UV machines, Heidelberg 6+1 machines, Heidelberg CMYK machines, high-speed laminating machines, high-speed paper mounting machines, automatic hot stamping machines, automatic window patching machines, automatic gluing machines and automatic quality inspection machines etc. All of these guarantee our products with superb quality and fast delivery, which helps us to win many rave reviews from our old customers from all over the world.

We are one of the first factories to adopt the SCODIX technology. The SCODIX applications include SCODIX Sense, SCODIX Foil, SCODIX Braille, SCODIX Glitter, SCODIX Metallic, SCODIX VDE/VDP, SCODIX Crystals, SCODIX Cast & Cure, SCODIX Spot, Combinations of SCODIX Sense on SCODIX Foil, SCODIX Foils on Foil and others.

We have 17 patents in paper packaging and certified with ISO9001, FSC, BSCI certifications. We customize a full range of paper packaging products, mainly including food packaging box, cosmetic packaging box, gift box, rigid box, cardboard box, foldable box, and wine packaging etc.

“Making Every Packaging Count” is our mission. OEM/ODM service, fast delivery and favorable price is what we have been doing for our clients.

As a leading paper packaging and printing manufacturer in China, we have been looking forward to helping you! Warmly welcome to visit our factory!
